

ANNUAL FACULTY OF MEDICINE CELEBRATION DAYS 2024 (December 2-7, 2024)

The public health professional meeting entitled „**Improving Preventive Health Care in the Republic of Croatia**“ was held on December 6, 2024 at the Faculty of Medicine of the University of Rijeka on the occasion of the Faculty Day 2024 celebration.

The meeting was organised by the Croatian Institute of Public Health, the Ministry of Health of the Republic of Croatia and the Faculty of Medicine of the University of Rijeka. The meeting was attended by 120 participants (students, professionals, university staff and health care professionals. The meeting focussed on current topics and challenges in the field of public health.

Participation in this meeting was rewarded by ECTS credits for members of the Croatian Medical Chamber, the Croatian Chamber of Nurses and the Croatian Chamber of Health Professionals. After the welcome address by the Dean of the Faculty of Medicine, Professor Goran Hauser, M.D., PhD, the Head of the Department of Social Medicine and Epidemiology, Professor Tomislav Rukavina, presented the European project HORUS. Professor Vanja Vasiljev (WP4 leader) gave a presentation entitled "The city of Rijeka as a Laboratory for Urban interventions: The HORUS project."

Poster presentation has been organized in the Aula of the Institution, where Denis Juraga presented HORUS project, among other activities of the Department.

Professor Tomislav Rukavina had an interview on the Croatian national television channel HRT1, on December 6th 2024 in the programme „Good Morning Croatia“, where he also presented the European project HORUS. Link will be available soon.

Here are few photos from this event.
